NEW: HOSE TRACING/INSTALLATION KIT – COLORED NYLON CABLE TIES

[Scroll to the bottom of the web page](#)

NEW: **Silicone Extrusions** – Call Roger @ Reliable Products

Special Note: I'm hanging up the car keys December 31, 2017 on the rep business. Finally decided after 35 years it was time. It has been a great trip! The shipping room/packaging supply business will continue, but will be run by family – Dee and James! If you've been a customer of mine, you will enjoy working with them 😊
